

## **REMARKS**

On April 5, 2010, Examiner Canfield discussed two corrections to the March 14, 2006 reissue declaration that were needed for this case to issue. Applicants have submitted the corrected reissue declaration with this supplemental response. Examiner Canfield also requested a final, complete listing of the pending claims, which Applicant has provided above. No substantive change has been made through this claim listing relative to the January 14, 2010 supplemental response, though Applicants note that the parenthetical expressions for claims 56 and 59 now correctly reflect that they are each "Twice amended."

Applicants respectfully submit that pending claims 1-9, 11, 12, 14, 50-53, 55, 56, 59-64, 66-72, and 74-78 are in condition for allowance. Should the Examiner have any questions, comments, or suggestions relating to this application, he is invited to contact the undersigned attorney at (512) 536-3031 to expedite the resolution of any remaining issues.

Date: April 13, 2010

Respectfully submitted,

/Mark T. Garrett/
